

What atmosphere do I want to cultivate in this season?

What out-of-the house activities do I need to prepare for and how can I make it easier to leave the house in this season?

What clothing do I need to plan for and accommodate spaces for in this season?

What spaces have been "on hold" for a season that need to be refreshed?

Where will we spend much of our family time together, and what can I make more accessible for family activities?

Where will we want to do schoolwork and how can I update organization to streamline lessons & projects?
